

WINCHESTER TOTAL RECOIL

Virtual clay-shooting

Ever wanted to know what it's really like to pull the trigger of one of the world's greatest sport-guns? Ever fancied your chances in a clay-shoot? Have you got the timing, the accuracy, the ability to keep calm under pressure? Just how good are you?

Authentic excitement

State of the art technology incorporating the sheer quality and excellence associated with the Winchester 101 has produced the ultimate virtual reality shooting experience. A three-dimensional shooting game that uses an exact replica of the famous Winchester 101 model shotgun complete with a specially developed simulated recoil action to further enhance the realism of the experience.

Shout your command to release the clay and follow it down your gun as it spirals away. Squeeze the trigger and shoot! Feel the recoil as you watch the clay fly into pieces.
